

No. C. 525—Co. 30-52-2, Bangalore, dated 13th August 1952.

In exercise of the powers conferred by Section 3 of the Essential Supplies (Temporary Powers) Act, 1946 (Central Act XXIV of 1946), read with the Government of India, Ministry of Commerce and Industry Notification No. SC (A)-4 (20), dated 8th December 1951, His Highness the Maharaja of Mysore is pleased to make the following order:—

1. (1) This Order may be called the Mysore Iron and Steel (Control of Use in Buildings) Order, 1952.

(2) It extends to the whole of the State of Mysore.

(3) It shall come into force forthwith.

2. The provisions of this Order shall be in addition to and not in derogation of any other law for the time being in force in the State of Mysore.

3. In this Order, unless there is anything repugnant in the subject or context—

(1) “Approved Dealer” means a Registered Producer,—Controlled Source as defined in the Iron and Steel (Control of Production and Distribution) Order, 1941 and Iron and Steel (Scrap Control) Order, 1943 and includes any other person registered by the Controller as approved dealer;

(2) “Building” means a house and any other structure involving the use of controlled iron or steel materials;

(3) “Construction of building” includes reconstruction or re-conversion resulting in alteration to, enlargement of, or addition to a building with an increase in the existing plinth area or roof area or in the total height of the building;

(4) “Controlled iron or steel materials” means iron and steel of the categories specified in the Second Schedule to the Iron and Steel (Control of Production and Distribution) Order, 1941, and Scrap as defined in clause 2 (f) of the Iron and Steel (Scrap Control) Order, 1943.

(5) “Controller” means the State Controller, Iron and Steel, Mysore, and includes any officer authorised by the State Government to exercise all or any of the powers of the Controller under this Order;

(6) "Luxurious buildings" means a Cinema, Dance Hall, Theatre, Studio or any other place of amusement and includes a residential building, the plinth area of which exceeds three thousand square feet or the floor area of which exceeds six thousand square feet and a non-residential building, the plinth area of which exceeds five thousand square feet or the floor area of which exceeds ten thousand square feet.

4. No person shall purchase or use any controlled iron or steel material for the construction of any luxurious building except under and in accordance with the terms and conditions of a written permit issued by the Controller.

5. No one shall purchase or use any controlled iron or steel material for construction of a building, other than a luxurious building, unless the material has been obtained against permits issued by the Controller or purchased from an approved dealer.

*Explanation.*—The provisions of this clause will not apply to the use of nails, screws, bolts, nuts and rivets for doors, windows and other fittings and the use of controlled iron or steel for doors, windows and fastenings.

6. Nothing contained in clauses 4 and 5 shall apply to the construction of a building:—

(a) for the purpose of any educational, medical, religious or charitable institution or other public utility building to promote public health or economic property of the country; or

(b) which is undertaken or carried out on behalf of the State Government, the Central Government, a Local Board or Municipal Council including the Corporation of the City of Bangalore; or

(c) the cost of which in whole or in part, the State Government, the Central Government, a Local Board or Municipal Council including the Corporation of the City of Bangalore has agreed to pay; or

(d) for which allotment of iron or steel is made by the Central Government; or

(e) for which sanction of the Central Government has been previously obtained.

7. The Controller may, with a view to securing compliance with this Order—

(a) require any person to give such information in his possession with respect to any business carried on by that or any other person;

(b) inspect or cause to be inspected any books or other documents belonging to or under the control of any person;

(c) enter and search or authorise any person to enter and search any premises and seize or authorise any person to seize any article in respect of which he has reason to believe that a contravention of this Order has been, is being or is about to be committed or which is intended to be used in connection with such contraventions.

8. Any Court trying a contravention of this Order may, without prejudice to any other sentence which it may pass direct that any controlled iron or steel material in respect of which the Court is satisfied that this Order has been contravened, shall be forfeited to the State Government.

By Order of His Highness the Maharaja,

N. PUTTARANGASWAMY,  
Chief Secretary to Government.

No. L. 6617—Ml. 152-52-2, dated Bangalore, 9th August 1952.

In exercise of the powers conferred by Section 48 (1) (n) of the Mysore Town Municipalities Act, 1951 (Mysore Act No. XXII of 1951), His Highness the Maharaja of Mysore is pleased to make the following model bye-laws for regulating sanitation and conservancy by the Town Municipal Councils in the State, namely:—

*Model Bye-laws regulating Sanitation and Conservancy under Section 48 (1) (n) of the Mysore Town Municipalities Act, 1951.*

1. No person shall deposit tiles, garden sweepings, branches of trees, thatch or night soil in Municipal bins. Any person who contravenes this bye-law shall on conviction be punishable with fine which may extend to five rupees.
